

Four-Year Educational Plan

Name: (Print clearly) _____ Present Grade: _____

The Four-Year Educational Plan is to be used as a planning tool only and is not a finalized document.

To fill out this form, please do the following:

- Enter the courses you have already completed.
- Enter the appropriate math and world language courses for the upcoming year.
- Enter course preferences in the spaces provided after considering university requirements and future educational goals and aspirations.

This form is used to help you plan for the future. In addition it helps Concordia to determine whether or not the program you are currently following is going to: (1) ensure you graduate from high school and (2) ensure you are a candidate for the university of your choice.

Return a completed and signed copy to your counselor.
