

Concordia Preschool

Welcome to Concordia Preschool! We are really excited to have you join our school family!

*Please know that all preschool children are to come to school fully toilet trained. PS4 children are expected to be independent when using the toilet.

*All preschool children are expected to be able to feed themselves. This means they know how to use eating utensils independently.

Please find below, a “packing list” of the items for you to bring on or before the first full day of school.

- A backpack that can hold your child’s lunchbox (morning snack & home lunch) and a library book
- Emergency set of spare clothes that includes underwear, socks, and shoes (these items will be left at school and should be changed seasonally)
- A small sleeping bag and optional small pillow that can fit in the top of your hallway locker (the Junior Sleeping Bag from Decathlon is ideal. It washes well.)
- A water bottle (that is easily managed and able to be refilled by your child)
- A healthy snack (fresh or dried fruits, raw vegetables, crackers, cheese, seaweed)
- School lunch card, or your child’s home lunch. (Note: every child should bring a morning snack)
- A small pack of wash-ups / wet wipes
- Your child should wear school shoes that can be put on, and taken off, independently. (Velcro straps are best; no Croc-type, or flip-flops are permitted. Shoes must allow children to fully participate in all activities with safety. Slippers are not worn at Preschool. Boots are to be changed out of for inside wear.
- A sweater that your child can easily put on, independently (as the season dictates)

Please feel free to ask questions of your child’s teacher during your orientation conference. The conference will be held in your child’s Preschool classroom. At this time, we will discuss preschool-specific policies and procedures. Your child will enjoy the opportunity to mix in a small group for some play time. This is a valuable transition experience for you and your child as it is a gentle introduction to the teachers, some of the children in their class, and the school environment.

In great anticipation and best regards from,
The Preschool 3 and 4 Teams
